LSBC Identity Verse & Statement

All the believers devoted themselves to the apostles' teaching, and to fellowship, and to sharing in meals (including the Lord's Supper), and to prayer. **Acts 2:42**

Little Stoke Baptist Church is a church family seeking to live as devoted disciples rooted in Scripture to fulfil the mission of God's purpose to proclaim the Gospel of Jesus Christ in the power of the Holy Spirit.

● Highlights

This year we have built many new relationships and seen people moving into a deeper understanding of Jesus. We have been blessed to see people move closer to Jesus, give their lives to him and be baptised. We connect regularly with as many people as we do on a Sunday and real relationships are being built. We had our first Women's Day led by Ronke at Harnhill Centre and our summer fellowship BBQ in our new garden.

We also had three amazing outreach events. In June we celebrated 70 years of the opening of the building with a summer fayre. At Christmas we welcomed the Scout group performing their nativity, the church was filled with families and friends many of whom took bibles and information. Our other Christmas event was when the Float Group visited and many in the community enjoyed hot chocolates and jacket potatoes.
